

## Speciality Gate Fittings Sets

### Gates & Fittings / Gate Fittings

- Galvanised steel gate fitting sets
- Designed to suit Stockpost End Assembly
- Pedestrian Gate "D" Latch kit also available

### Specialty gate fitting sets

#### End Assembly Gate Fittings

Designed for the Stockpost Anchor Post, the fittings attach around the anchor post with no screwing or welding required. Top strap & gudgeon pack the hinge the gate, and the drop latch pack to lock the gate.

#### Pedestrian Gate Pack

Use with smaller pedestrian gates, the pack features a easy access "D" latch and all the components.
