

## Lifter, Driver & Spinner

Tools & Accessories / Drivers, Lifters & Spinners

- Heavy steel construction
- Fully welded
- Fast and easy fencing

### Tough steel construction

Standard range of post lifter, post driver and wire spinner are an economical alternative to the contractor range, available in a durable zinc-plate finish.

#### Post Lifter

Heavy steel construction. Simply place post in jaw and use the lever action to easily remove steel posts.

#### Post Driver

Heavy steel construction, weighted balanced head.

#### Wire Spinner

Central hub is designed for smooth, easy payout, and is adjustable to reduce spin and overrun for faster payout.

Code	Product	Weight
12200	Fence Post Lifter	8.3kg
